

### **FUEL Community Activity Camp – April 2023**

As you may be aware Wiltshire Council are delivering 10 core activity camps from the 3<sup>rd</sup> – 6<sup>th</sup> April, as part of the FUEL project. With the closest camps to South West Wiltshire being in Salisbury and Warminster, we are keen to offer some local opportunities that are more accessible. We also have a commitment to run our Leisure Credits Programme for 12-18 year olds so need to ensure we have staff and transport available for both. Our plan is to run 2 sessions a week during the Easter holidays; Mon 3<sup>rd</sup>, Weds 5<sup>th</sup>, Weds 12<sup>th</sup>, Fri 14<sup>th</sup> April.

We are only able to provide activities for children and young people aged 8 years old and over. The sessions will be led by qualified and experienced staff and supported by a team of trained peer leaders who are part of the Seeds4Success Young Leaders programme. For the first and last sessions we have organised activity days with a cooked meal at Magdalen Farm in Somerset. These sessions will be longer than usual as we anticipate being at the farm from 10:30am until 3:30pm and will need to travel there and back (approximately an hour). The two Wednesday sessions will be at Mere Youth Centre from 10am – 2pm with the session on Wednesday 12th April also being open to our junior youth club members in years 5 & 6. There will be a range of physical and creative activities on offer during the sessions at Mere with fun outdoor activities at the farm being provided during the other two sessions. Transport will be available from a range of locations in South West Wiltshire to enable access for those who need it and we will provide participants with a nutritious meal and healthy snacks each day.

These sessions complement those being delivered at the Wiltshire Council Core camps whilst responding to local need. Priority for these sessions goes to children and young people who are eligible for benefit related free school meals, those who have an Education Health Care Plan (EHCP), refugee/asylum seeking children or those who are 'looked after' by the local authority. Please book by Thursday 30<sup>th</sup> March to enable us to organise transport and food.

To book a space for your child/ward please complete the attached booking form, detailing the sessions they would like to attend, whether support with transport is required and whether they would like a mainstream meal which would include meat, a vegetarian or halal meal or an allergen free and entirely vegan option. We also require a completed Seeds4Success Annual Consent Form (for the year Sept. '22 - Sept '23 for each participant).

If you require any further information or have any questions about this project, please do contact me.

Kind Regards
